

WESTER 1932

Dr. Oscar A. Ulbrich

## PRE-THOUGHT

*A*CROSS the historic pages of every worthy institution the protecting shadow of some guiding personality is indelibly engraved in the policies, purposes, and traditions through which the institution has achieved recognition.

The wealth of tradition, of quiet courage and right living which Southwestern tries to instill into its undergraduates has been enriched through the earnest efforts of legion of consecrated God-fearing men, but back of all their efforts stands the dynamic figure of one dominating personality whose life and creed served as a plumbline by which they squared their policies with the ideals they strove to emulate.

In recognition of his inspiring influence, we have gone into the romantic history of that evangel of fire, "the Father of Methodism," John Wesley, for the theme of this, the 1932 Sou'wester, in the hope that a better understanding of Southwestern's traditional atmosphere of high idealism might be acquired.

# DEDICATION

**E**VEN as John Wesley, through a steadfast devotion to the highest ideals of truth and beauty and love of mankind, blazed an imperishable trail of glory across the history of humanity's progress, so there is one whose unswerving loyalty to his finest conception of truth and justice has builded an enduring monument of respect and esteem in the hearts of the students.

In humble recognition of his outstanding personality and scholarly, self-sacrificing application to his every task we respectfully dedicate this, the 1932 Sou'wester, to that able teacher, just critic, and devoted friend of the Southwestern student, George C. Hester.

# FOREWORD

SOUTHWESTERN'S glorious past, the opportunities for service that characterize its present, the vision of a progressive future, all must be molded into the men and women that pass through its experience-hallowed, ivy-grown walls if Southwestern is to continue to build upon its solid foundation of service. The past, the present, the future, a chain to bind the sons of Southwestern in gossamer ties of unbreakable strength. Thus when the everyday, commonplace realities of the present become the mist-enshrouded romantic memories of the past, then may this book become a link to bind our middle-aged, conservative realism with the glorious visions of our youth.

As to his skill as a horseman, any ungracefulness in his seat was doubtless accounted for by the fact that he always had a book in his hand.

During his stay in America Wesley never let a day pass without going among the Indians preaching and teaching the principles of Christ.

While at Christ Church, John Wesley and a small group of intimate friends, who were called Methodists by their associates, discussed questions of duty, laid down a definite scheme of self-examination, and assigned to every evening some special duty of virtue for discussion.

## Editor's Page

April 20th will long be remembered by "Red," the editor. This day was the greatest day in his life, because it meant the time which has long been looked for—the day when the much talked-about annual had been completed.

Pardon me if I have talked about the book too much or have taken up too much of your time trying to find out what kind of a book you wanted. If I have been rude and sarcastic, etc., while I have been around you, I am indeed sorry and ask you to forgive me, for it has been unconsciously and unintentionally done.

I have enjoyed the work immensely, and it has indeed been a pleasure and an honor. I sincerely trust that I have lived up to the honor given me. I have done my best, and if you find any mistakes please try to overlook them—I am by no means perfect. Thanks to the staff! Never have I worked with a group which has been so faithful and loyal. They have indeed proven to be friends.

Both the staff, editor and business manager have worked many nights, losing sleep, energy, sacrificing pleasures, busting courses, missing classes, losing weight, burning up brain energy (as far as it goes), in order that a book might be distributed which would be a credit and honor to the great school which it represents. If this has been accomplished then we have more than been repaid for the time, energy and effort placed in the book.

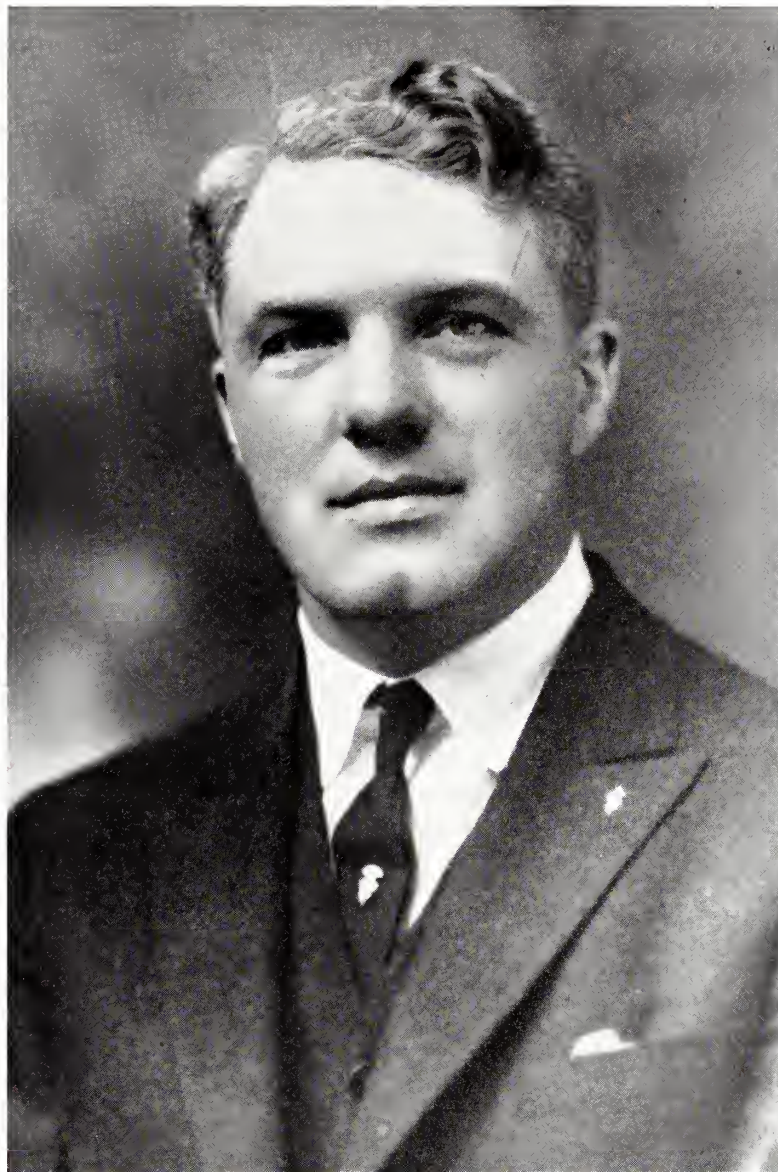

A combined effort of the editor and business manager, perfect co-operation and advice given to both by the faculty, students and friends. We only hope and pray that we have fulfilled your desires and wishes.

Because of the book with its theme we hope that you will pattern your lives to some extent after John Wesley, living the best lives possible, laboring hard in order to overcome difficulties and in the end saying with Wesley, "The world is my Parish."

WESLEY (RED) BOOTHE, Editor.

# BULLER Goes To College

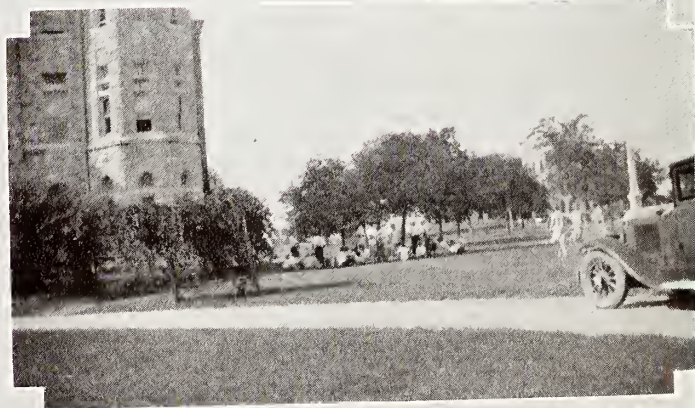

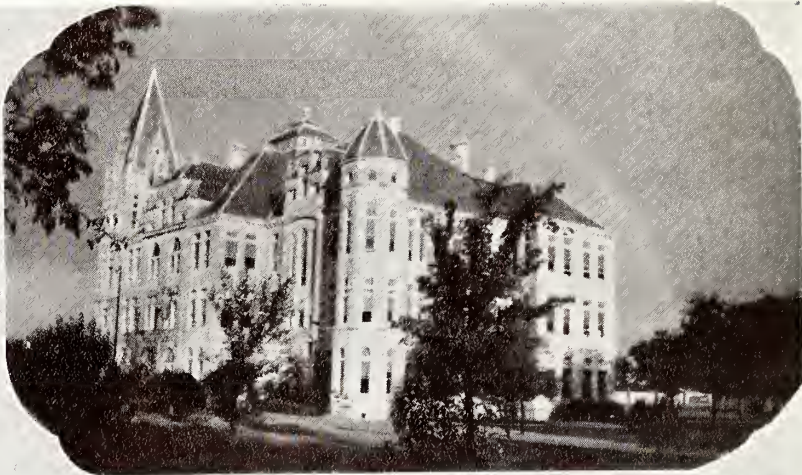

Come on, Mother and Dad, I'll show you around!

MAXINE TRAYS

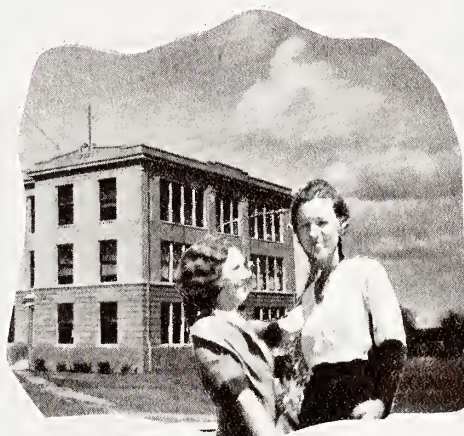

#### UNIVERSITY AVENUE

"Miss represented can't be far away. After the University storms, the rainbow usually shines. Miss Bal Bearing, (a la Virginia Stewart) looks better sitting than she does walking. Just Mr. Davidson and Miss Neas, (Mrs. Davidson in the background). Joe, one of our young Pirates. Cortes, Gill, and others are just meekly cutting a class. All picnics start at the Dean's tower."

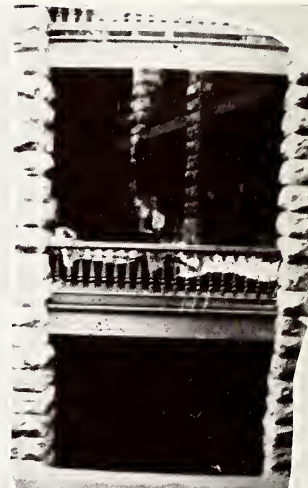

# JUST CHEMISTRY

"Well, I took chemistry the first term. I took this picture of the bottles so I could know good chemicals. Lib and Cutie Ransom was always coming in late and Davis had't tell 'em to "get". Chemistry ain't so hot. The heat in the Science Building is awful less. Doc. Godby counts on the Tinsley brand of hot air to help. Slim Whittle shows the latest style in goggles to hide bloodshot eyes."

#### MOOD HALL

Well, Etta, here's Mood Hall where no girls are ever ever allowed to enter. Even at college, they are still country, so A. C. shows some of his talents. Just a fine adieu, Hicks is sitting in the car!! You may think that this is Juliet's balcony but on the contrary, it is only Mood Hall. Cortes has just returned from his Honor Council meeting with the dean. Where well man dress spring from, the Toggery.

#### MOOD HALL

"Pa, this Photo shows Peterman in his favorite position for studying. I snapped this reclining pose to show how Mr. Sealy would not make us sleep. We jump rope when classes get dull. They call Fred Sterling "Homer" since Buss left. I don't understand. P. G. Secrest is here reading the Phi Manual "Aphrodite" to a freshman."

#### SUMMER VACATION

"Baskin told Ddwitt the Tri Delt Convention was in Canada; (Picture shows scene of convention). Pivito takes to horses or horses to Pivito; they have something in common. King had a house-party; oh! what a party. Terry used Zilch's favorite; soap and water was free. Bill and Red turned cowhands. Slim Whittle thinks he's driving a Chevy—well, is he? Look at the Pecos Bridge Mamma Zilch."

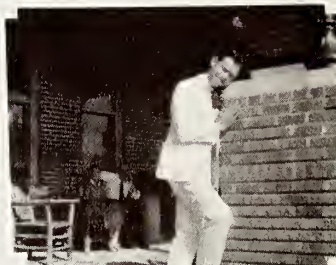

#### ON THE CAMPUS

"Oh Etta! Somebody went to sleep in Dr. Hereford's class and when they woke up it was moonlight. A beautiful building on the *outside*. Pivito is after Peterman again. Here you have steweds in their favorite pose coming out of class. Hicks sees Oatman and a Zeta—hence, the stride. Miss Neas even comes out to see any loose males. These Indians are selling blankets and Fuller Brushes,—where is Mac?"

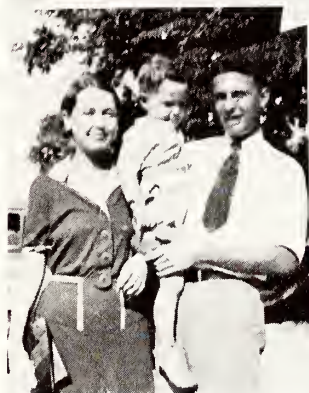

#### CAMPUS CUTIES

"Brooks, peacefully babbling in the noon day sun. Fred Lee, Tommy Thomas, Billy Cox and others are taking their hourly stroll to the Kappa Sigma House. Louise Dickens, just a school girl on her bike. Treading their way to the Woman's Building is no other than the Tri Delt Dizzy blondes. Gill Phares is in one of his dancing moods. Toot, toot, nobody but Bob Simpson. Tweet, tweet, look at the *Birdies* Gill and Dinks."

#### THE PIRATE TAVERN

"Oh, Pa, here is the place where the co-eds get their male every day. It is better than the Woman's Building for getting a late date. Here is where we "Drink a bite to eat" because we are too broke to eat anything. Won't say anything about Cortes and Harding!! It speaks for itself. Huitt is pondering the parked Tri Delt cars pondering which one to park in."

#### MORE DORM

"Ma, this is our P. T. Instructor. Sparger is waiting on her call. Another view of the Inferno. Grizzlie, SUCH A LOVE!!!! Mrs. McClaine, our life, and our best dietitian. How he gets over in college is no other than Carter Fuller and all the Woman's Building girls are feasting their eyes on him. But it doesn't do them any good, eh! Romeo."

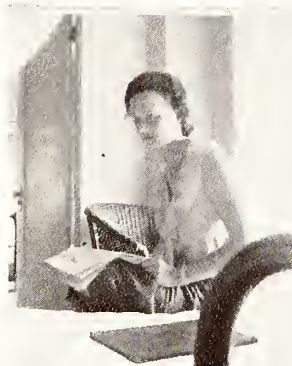

# THE OLE SWIMMIN' HOLE,—WIMMIN

"Well, folks, this would be a beautiful picture if Bill Murray wasn't in it. The boys bother here on Saturdays and see all the Ivory soap? Prof. Hester and wife is seen nestling in the Blue Bonnets. Even profs can go wrong in the spring. These are the K. A.'s during the day. It is beautiful by moonlight,—but nobody seems to remember about any moonlight. Especially the Phi Mus."

#### WOMAN'S BUILDING

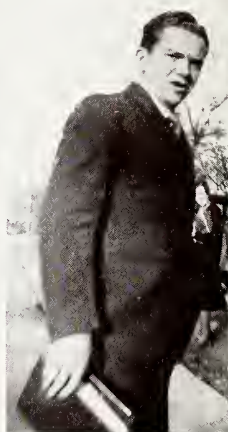

"Look Ma, here is the Woman's Building. This is the melting pot of scandal and low-down. Here is powder-covered dirt—go in this sesame of women, a good woman and try to come out the same. No one ever saw the floosies in so lady-like a moment. These are poses,—to deceive the raving eye a la Kuykendall. The Alpha Deltis stick together on Saturday night and play bridge?!!"

"A bunch of Alpha Deltas in a Bull Session, Etta, it would be worth listening to. Virginia pretties up. Where's the piano, Edna? Eddie Mae is waiting for Rumble. Pauline Jordon is merely meditating. The Ward, Helen Korges, Marie and Ester. Etta, this is the swellest place to live in when you can find plenty to do. A bird's-eye view from third at Beatty and Kathryn Browning."

#### CAMPUS FRIVOLITIES

"Where are Ruth Frenche's eyes? Bill Wisdom had a happy thought! Sneed in the moonlight or in the limelight one Hardin and Ransome, the honor council members, are chatting. Just peeping in at Windy's Window. Wacker and Wigham waiting to see the dean. Little Rip, the man with the great deep bass voice. Who's the man, Lib? Sara Moore takes a fling. Even Bergin can dance. Who is it, Murph? Patterson in one of his daily poses."

#### BEHOLD, THE INSTITUTE

"Well, pa, the boys are taking their after dinner smoke, wonder where all the girls are? Two grinning Deltas, hincle and dincle. Catch me, I'm a Butterfly, La Venia. Such poise Hilma. Oh, doodness dracious, it couldn't be no one but Morgan. Just a street lamp!! The camera caught Miss Tarver, ma, she's our English teacher."

# GOLF

"Pa, Hole-in-one, Dr. Howard, if you don't believe it ask him who made a new golf course on the campus. It endangers all the pretty co-eds walking to and from classes and they had to buy helmets for protection. What form! Bill Connely is just putting. They call her Adelise, but they should call her Grace. Even the Kappa Sigs play, golf, it must be a good game. Miss Cotton in 'How I play golf'."

#### TOUCH FOOTBALL

"Well, Etta, you can't come out on the field in these afternoons. Lefty, before hitting the job. Frank and Claudy seeing that it is well done. All these freshmen and others are Southwestern good subs and on-lookers. Where are you going, Kellogg? Mr. Wapple, attempting to run from the camera. Walter Wood is telling his secret. Puggy, in figure thirteen. And then they do play ball."

#### HORSES

"Etta, this is where you'd shine. The girls take out to the brush and other bridle paths and sure enough have a wild ride for their money. Lib is the chief obstacle for all horses. All the Tri Deltas take out for reducing purposes. Dee Dee, such a pair! The real view of the Zetas on their Monday morning Hoppity hoppity hops. Just a little polo between rides. What would they do without the San Gabriel."

#### SPARE MY BLUSHES

"Here is the golf course of Hole-in-one-Howard's fame. The scenery is full of snakes, hair pins, old rags and remains of blankets. This is the Phi Delt pinning grounds,—mostly Tri Delt's can stand the strain of daily trips. Why does Lib pose with ducks? Lib should pass the plate instead of her glass. Notice closely Budda's Crossing! Oh! Etta!!"

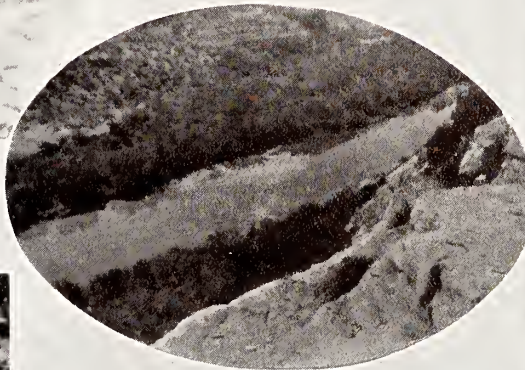

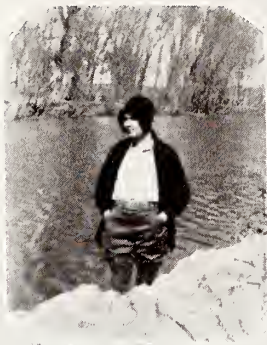

#### GOOD OLD SCENES

"Ma, you should see the Lion's Head by daylight, believe-it-or-not. Bob and Lou's are having a dizzy ride. Clark is having a good-looking around trying to keep up with the—er bumble bees. Dr. Gray has always been a good sport on all the picnics. The Alpha Deltas are great swimmers, led by Heath. What a deal, Murray! Rest is familiar scenes at Cad-do, eh Lib?"

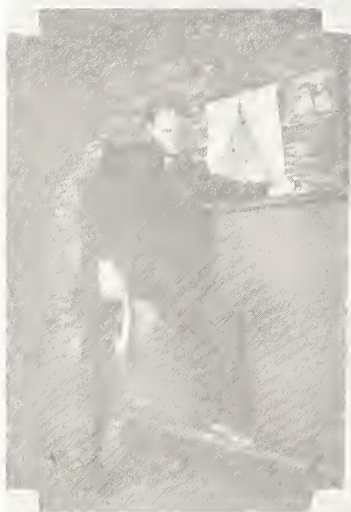

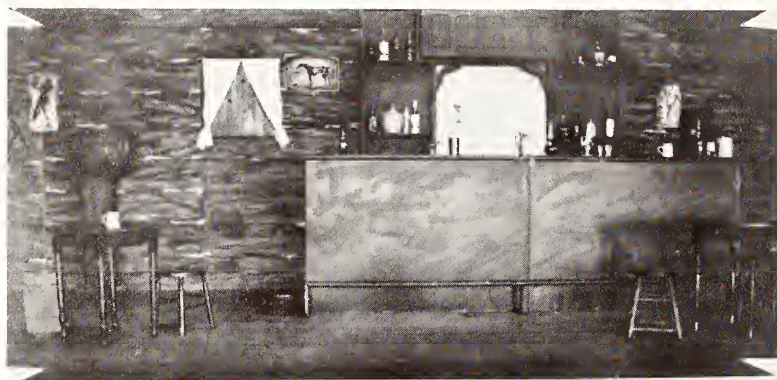

#### LION'S HEAD

"Well, Etta, this is a place where you're supposed to go in the Spring time. All the famous pinings have been done around here, so Lion's Head has its purpose. This is Bob and Abbie; and in front of him is Lover's Bluff; we ain't certain what kind yet. Thomasine and Irene are peering over the bluff, eh???"

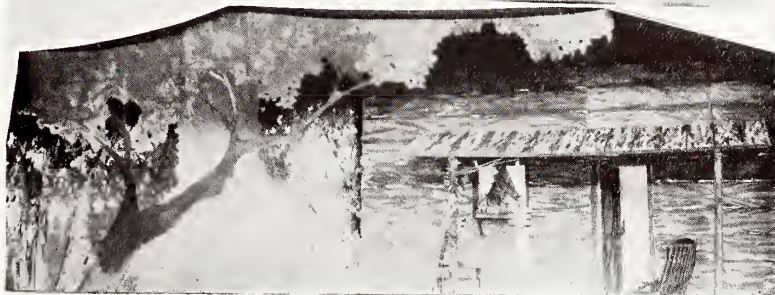

#### MASK AND WIG PLAYS

"Well, folks, we have had some real good plays this year. You should have seen all of 'em. Look, Ma. This is a scene of "Ten Nights in the Bar Room," and look, here is Tete and Blossom in their skits. And then here's poor little Mary stretched out on the cold, cold floor. Fred is just another bar-tender."

#### MORE COLLEGE PLAYS

"And then look at this play, Pa, it's 'Suicide.' Then here's Carter Fuller when he played in Miss Tarver's play 'Plum Distracted.' And then look at the Fearless Quartet, they faded out before the final measures were played. Then look at *Merton of the Movies*; it was really a good one. The other scenes are just bar-room scenes of more *Ten Nights in a Bar-room*. Look at Eleanor and all the dummies.

# FORBIDDEN

"Oh, Etta, the bottle is forbidden,—but hold on it's Factor and Brooks. Sweet forbidden things, look at Cotton, Lanier, Thomasine and Newberry in all the blue-bonnet patch after climbing over the barbwire fence. A. C. just gave Gladys his hand pin on this rock. Ojihajika, well, that's forbidden too."

Monday April 1, 1739 Wesley preached for the first time in the open air. After that he preached again and again until his audiences during the month aggregated forty thousand persons. Wesley became the evangelist and reformer, his parish the world.

## For Davine

That smile! how well we all remember it,  
As passing us she waved a lifted hand  
And called a happy greeting. Never planned  
Or studied was her cheerfulness; no whit  
Of insincerity. Oh, just a bit  
Of sunshine was her face! To understand  
Why she is gone—we cannot. How the Hand  
That made her dancing eyes should now see fit  
To take her from us, baffles all our thought.  
We vainly weep and now and then repeat  
Something she said or did in her sweet way.  
But through the tears this lesson she has brought  
To countless lives who realize today  
How much one does by simply being sweet.

The Megaphone is the weekly publication of Southwestern University and under the managership of Bill and Glynn it has come to be one of the outstanding college weeklies in Texas. It has covered all phases of college activities and has been interesting at all times. Much credit should be given to these two boys for their splendid work, for they have made the paper a success even though a depression was in full sway.

## The Students' Association

The Students' Association of Southwestern University comprises every regularly registered student in residence at the institution. The constitution of the Association includes provisions for the organization, officers, officers of student publications, executive committee, nominating committee and the honor system.

The officers of the Students' Association this year, P. G. Secrest, Burgin Dunn, and Evelyn Raetzsch have performed their tasks well and much praise and credit is due them for this noble work. Under their administration the many problems of the Association have been solved easily and quickly.

Top row: TIPTON, FULLER, BASKIN

Bottom row: FREDRICK, GRAY, BRYAN, BOOTHE.

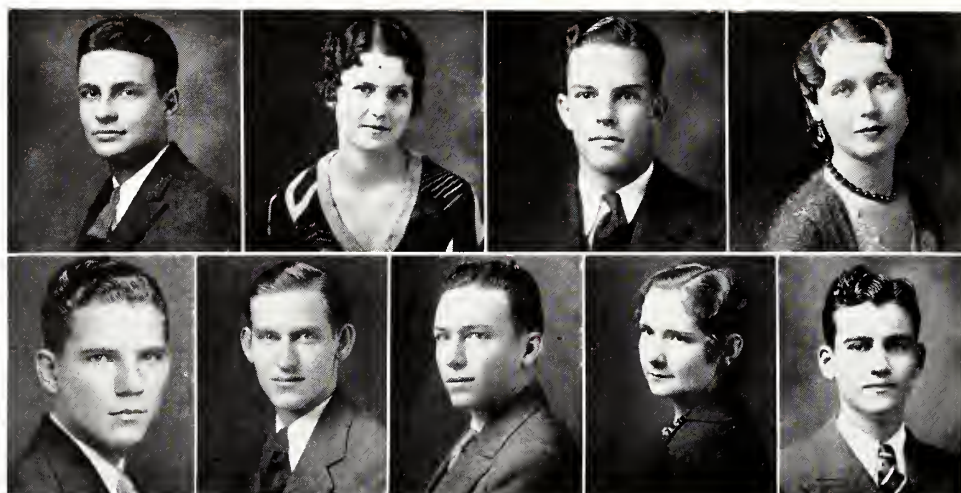

## Executive Committee

The Executive Committee is elected the first two weeks of school by the Students' Association of Southwestern University and the purpose of such a committee is to serve as a body of people to solve the problems of the students.

• The committee this year has functioned well, submitting amendments to the constitution and discussing the many and various problems of the different organizations on the campus.

Provisions are made for its functions and authority in the constitution of the Students' Association.

Top row: CORTES, GOULD, DUNN, HARDIN

Bottom row: OATMAN, BAKER, BUCHHOLZ, LAWSON, McKENZIE

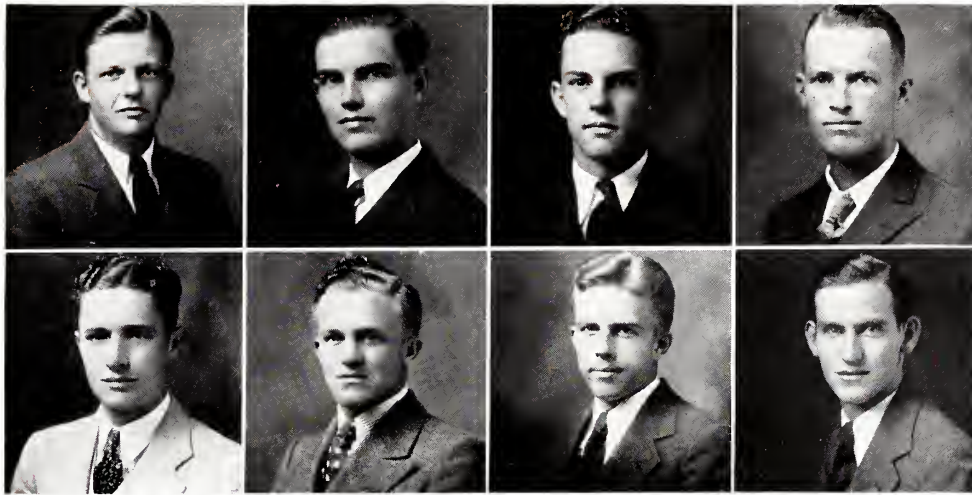

## University Honor Council

The University Honor Council is that body which governs the University Student Body in its disciplinary problems. It has jurisdiction over all matters pertaining to the students while not in either of the dormitories.

The Council is composed of nine members, four seniors, three juniors and two sophomores, which members are elected by their respective classes the first class meeting of the year. This method of election has proven highly successful because the best material available is obtained.

This year the Honor Council has proven efficient, capable and prompt in its actions. It has done the right things at the right time and because of this Council the disciplinary problems have been handled nobly.

Top row: STUDER, ARONSON, DUNN, WHITTLE.

Bottom row: TAYLOR, TERRY, CZAROWITZ, BAKER.

## Mood Hall Honor Council

The Mood Hall Honor Council is a body of men elected by the men of the Hall for the purpose of governing them according to the laws as set forth in the constitution of the boys' residence. This year the Council performed its duty with the idea in mind of doing the right thing at the right time and for the good of all persons concerned in the matter.

Due to the efforts of this body of able-bodied men, the living conditions of the dormitory have been improved and a better understanding between the boys has been established.

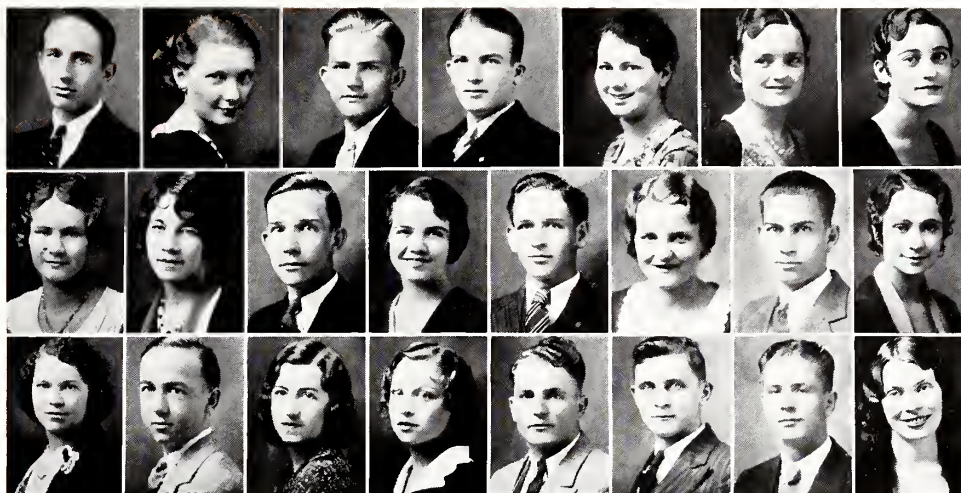

Top row: OSTROM, RAETZCK, HARDIN, HAAG, J. SHANNON, MINGS.  
Bottom row: HEATH, SNEED, ROSS, KARBACH, HOWELL, SWINNEA.

## Woman's Building Honor Council

The Woman's Building Honor Council is composed of twelve members elected by the girls living in the Woman's Building. This Council has jurisdiction over the problems confronting the girls living there.

The Council this year has been very active and they have done the things which are best for the group in place of the individual. Because of this program of action a better understanding between the different organizations within the Woman's Building has been attained.

Top row: ELLIS, WARE, STUBBLEFIELD, RICHARDSON, LAWTON, BLACK, SNEED.

Second row: WATSON, LINDSAY, NIELSON, MAY, GILLESPIE, HUNT, DAVIS, WILKES.

*"Ye shall know the truth and the truth shall make you free"*

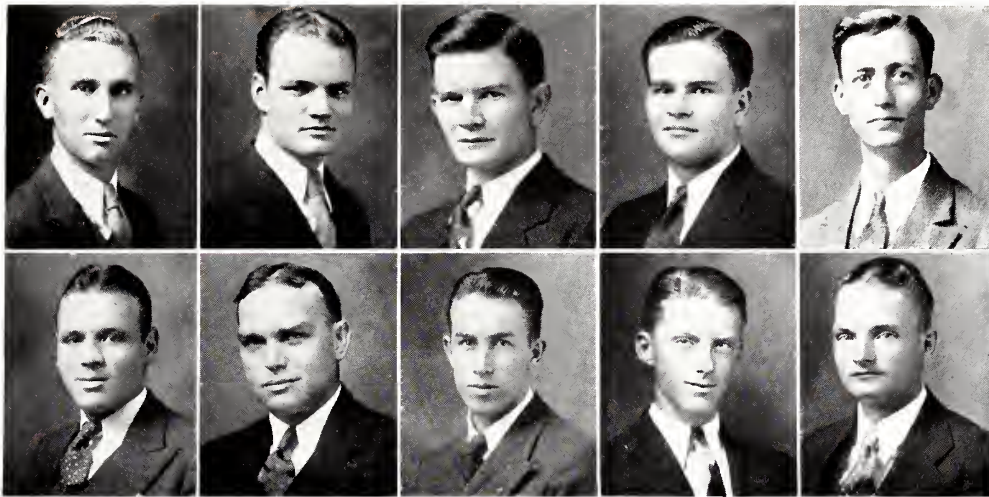

CARTER B. FULLER	President
W. R. STUMP	Vice-President
LUCILLE HODGES	Secretary-Treasurer
W. P. DAVIDSON	Faculty Advisor
CLAUDE HOWARD	Faculty Advisor
E. H. HEREFORD	Faculty Advisor

The Southwestern University Scholarship Society is the mother chapter of the Scholarship Societies of the South, whose purpose is defined as "the stimulation, development, and recognition of scholarship and those elements of character that make scholarship effective for good."

Any student in the ranking ten per cent of the junior or senior class is eligible for membership upon the approval of the faculty and of the society.

It is the custom of the Society to award, at commencement, a fine dictionary to the freshman attaining the highest scholastic average for the entire year. Each year also a speaker is invited to address the student body on some phase of scholarship. The speaker chosen for this year, to speak on the great German poet, Goethe, is Dr. A. H. Nolle, Dean of Southwest Texas State Teachers College.

Top row: MONROE, HUITT, BOOTHE, THOMAS, SOHNS.

The question for debate this year is the Pi Kappa Delta question which is: Resolved that congress should enact legislation providing for the centralized control of industry. This question has proven to be very interesting and the boys composing the debating squad have enjoyed the course very much because of the timely question. Five teams represented Southwestern and each team has won one debate. As the annual goes to press the debating season is just getting started and before the year is out we will find that Southwestern will have won a large portion of its debates.

## The Mask and Wig Players

The Mask and Wig Players, under the direction of Mr. Ernest R. Hardin of the Speech Department, have had a remarkably successful year. The Mask and Wig Players of Southwestern are members of National Collegiate Players, a national honorary dramatic fraternity which goes by the Greek letters Pi Epsilon Delta.

The players produced the following five-act play during the Fall term, "Ten Nights in a Bar-Room." The Christmas play, "Following the Star," was given at the church by the players.

The winter offering was "Merton of the Movies," with Milton Gray and Dorothy Bryan taking the leads.

The spring production was Shakespeare's "Romeo and Juliet" with Eddie Mae Clark and

## Science Society

The Science Society is an organization which is composed of those students majoring in science and who have an average above eighty-five. This year the society has had regular meetings which have proven beneficial and interesting to the members. Regular meetings are held and at those meetings timely and interesting subjects are discussed.

Under the leadership of Dr. Godbey the members have had the privilege of listening to discussions which will long be remembered by those attending the meetings.

## Pirate Band

The Pirate Band is the official Southwestern University Band, representing the University upon such occasions as football and basketball games. The band also makes numerous trips in the spring, playing formal concerts in different sections of the country.

 Front row: HENLEY, SAATHOFF, ROBERTS, FRANKS, SCHUESSLER, KARBACH, ADAMS.

## Chorus

The Southwestern University Chorus is one of the best known organizations on the campus. Besides this it is one of the best choruses in the state. From time to time throughout the school year the chorus makes trips to different parts of the state and each time it meets with the approval of all those who attend the concerts.

One of the features of this organization is the annual Music conference which Southwestern sponsors in co-operation with the chorus. At this Music Conference the chorus gives a concert which is one of the most noted attractions on the conference program.

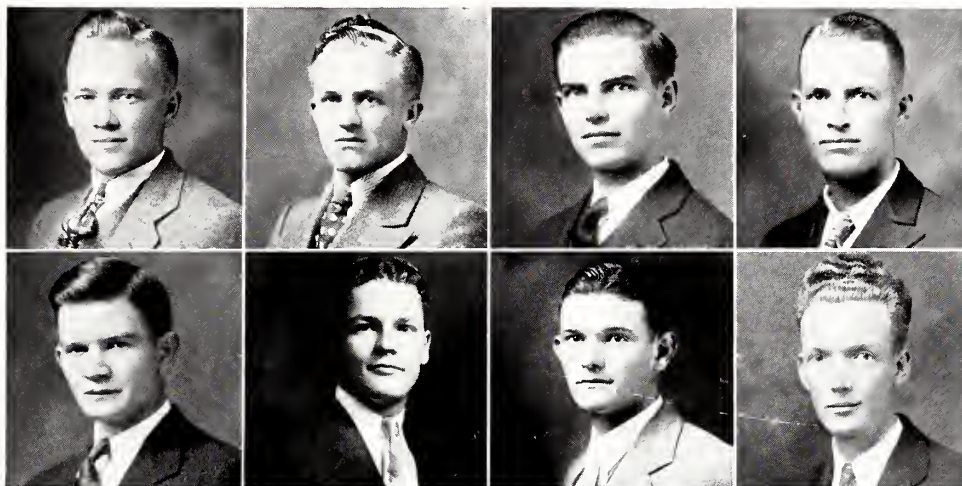

Top row: JAMES, CLARK, KARBACK, TIPTON, DeBARDELEBEN, STEWART.  
 Bottom row: SIMPSON, WOMACK, OSTROM, HOWELL, MORRIS, BRYAN.

## Y. W. C. A.

EUNICE JAMES	President
EDDIE MAE CLARK	Vice-President
MARJORIE KARBACK	Programs
RUTH TIPTON	Recreation
CHERILLE DeBARDELEBEN	Recreation
VIRGINIA STEWART	Membership
GLADYS SIMPSON	Music
EDNA WOMACK	Music
ELEANOR OSTROM	Social Service
THOMASINE HOWELL	Secretary
MARGARET MORRIS	Treasurer
DOROTHY BRYAN	Publicity

The Y. W. C. A. this year has added many new features to its program and each added attraction has proved highly successful and interesting. It has kept the idea in mind of developing the higher idealism of the Women of Southwestern.

Top row: MURRAY, TERRY, ARONSON, WHITTLE.

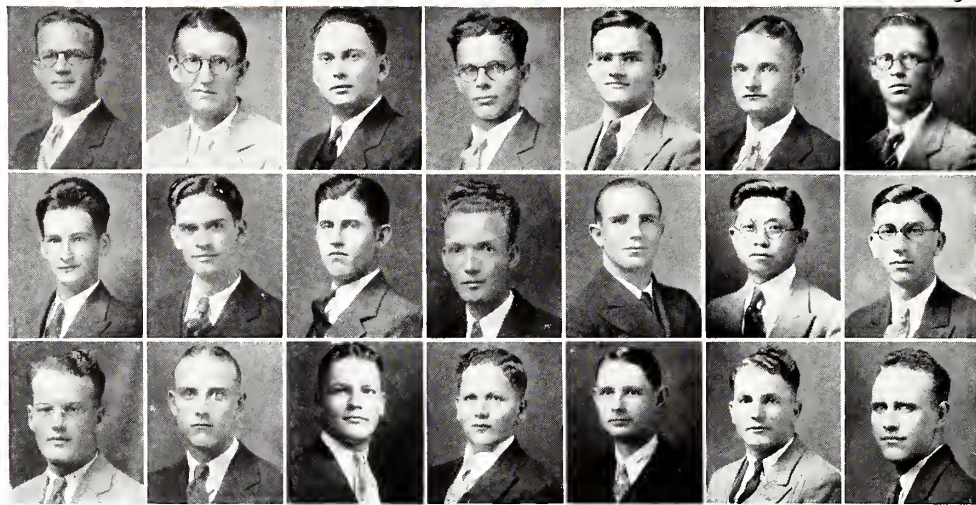

Bottom row: BOOTHE, DUNN, FAIRCHILDS, BENNETT.

## Y. M. C. A.

BILL MURRAY	. . . .	President
GLYNN TERRY	. . . .	Vice-President
ELI ARONSON	. . . .	Secretary
CLYDE WHITTLE	. . . .	Chairman of Finance Committee
WESLEY BOOTHE	. . . .	Chairman of Social Committee
BILL DUNN	. . . .	Chairman of Program Committee
MONROE FAIRCHILDS	. . . .	Chairman of Hall Committee
GEORGE BENNETT	. . . .	Chairman of Religious Activity Committee

This year the Y. M. C. A. has launched a new program, that of stressing the three phases of the triangle; namely, spiritual, educational, and physical side of the boy's life. The stress has not been on either side but has been a unity of all three into a well balanced life. The programs were on problems which confront all college men. The change proved to be very beneficial.

Top row: BOHMFALK, COLEMAN, PITTMAN, CONERLY, PLEDGER, LEDINSKI, HAMILTON.  
 Middle row: JUDKINS, WESTBROOK, KENDRED, BENNETT, GUNN, HAHN, JORDAN.  
 Bottom row: LOWRY, DUBBERLY, DUNN, WOOD, DUNCAN, WATTS, DUBBERLY.

## The Ministerial Association

The purpose of the Ministerial Association is to unite those students who are preparing to engage in some form of religious work, especially the ministry, for mutual edification and service to humanity.

The Association meets once a week, together with the other Life Service Volunteers, for devotional meetings at which talks are made by members of the Association or by someone whose experience may prove beneficial to the group.

Members of the Association preach every Sunday at nearby churches. They have accomplished noteworthy results at the church at the North Side of town. The Association has made considerable progress during this year, with worthwhile results.

## Student Volunteers

The Student Volunteers is a group of students organized for the purpose of bringing about a better feeling of understanding among those students who are entering into the Missionary field of activity in the Methodist Church. They have regular meetings in conjunction with the Ministerial Association and the Life Service Band. These organizations meet every Sunday in the Fine Arts auditorium.

The organization under the leadership of Miss Lillian Gorzycki has accomplished many worth while things and the continuous growth of this organization proves that fact.

CHERILLE DeBARDELEBEN	. . . . .	Secretary-Treasurer

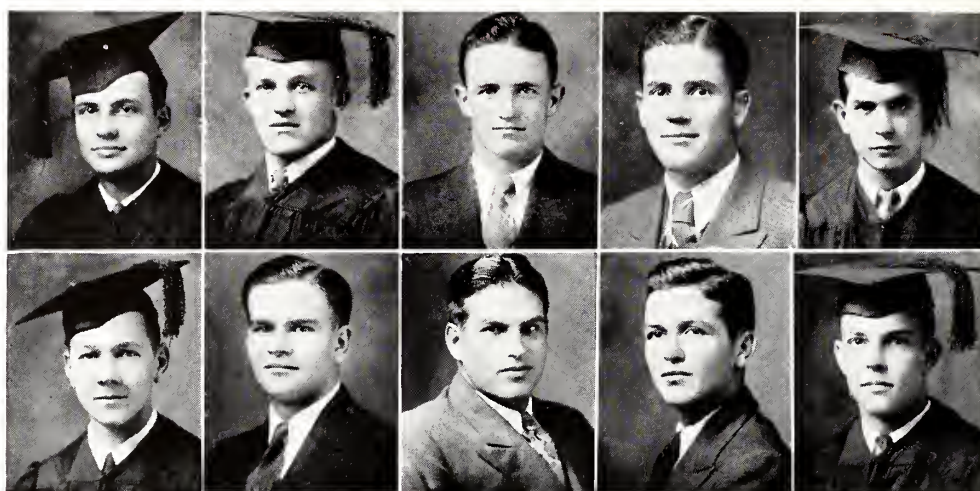

With the passing of a new law in Methodism concerning the young peoples' work the whole system had to be reorganized, consequently the University students organized the system so that it would be in co-ordination with the Methodist Church. The Young Peoples' Department under the leadership of Charles Rumble has proven as effective if not more so than the old system and much credit and praise is due him and his cabinet for the wonderful work done the past school year.

## Woman's Pan-Hellenic

The Woman's Pan-Hellenic Council, like the Men's Council, is composed of two representatives from each of the four sororities on the campus and this Council has jurisdiction over the sorority government.

Each year the Council sponsors a Pan-Hellenic tea which has proven to be highly successful and very beneficial because it brings about a better understanding between the sororities. The tea this year was very successful and each person attending the tea enjoyed it very much.

Besides looking out for the social end of the sorority life, the Council places such regulations as it deems advisable for the growth and life of the sororities on the campus.

Top row: MURRAY, HAMME, DORNBLUTH, BUCHHOLZ.

## Men's Pan-Hellenic

The Men's Pan-Hellenic Council is composed of two representatives from each of the four fraternities on the campus and meets once a month for the purpose of discussing the various inter-fraternity problems and making such regulations as seem necessary for a better understanding between the different fraternities.

The organization this year has been very influential in gaining recognition from the Administration, having had at different times conferences with the various committees concerning the government of fraternities.

## Fraternities and Sororities

On the campus of Southwestern University there exist four fraternities, namely: Pi Kappa Alpha, Kappa Alpha, Phi Delta Theta, and Kappa Sigma; four sororities, namely, Delta Delta Delta, Phi Mu, Zeta Tau Alpha, and Alpha Delta Pi.

The first of these to be organized was the Xi Chapter of Kappa Alpha which was founded on November 28, 1883 with six charter members: R. C. Porter, W. C. McCaney, T. L. Crow, W. E. Hawkins, E. W. Martin, and E. Embree, jr.

Several years later the Texas Gamma Chapter of Phi Delta Theta was founded. On March 12, 1886, A. R. Johns, R. L. Penn, M. K. Pateman, A. J. Perkins, W. H. Anderson, J. B. Hawkins, Abonn Holt, J. E. Quarles, J. H. Williams, R. S. Carter, and S. J. Thomas were granted the Charter.

On October 12, 1886, Iverson B. Love, Jessie C. Baker, Jasper B. Gibbs, and John Stanley Moss were granted the Charter for the Iota Chapter of Kappa Sigma which is the twenty-first Chapter in American Kappa Sigmas.

On November 12, 1910, Alpha Omicron Chapter of Pi Kappa Alpha was granted a charter by the Supreme Council of the Fraternity. The charter members were: A. D. Voight, Samuel A. Grogan, C. M. Singleton, J. M. McGuire, M. T. Waggoner, C. D. Chapman, and O. O. Mickle.

May 13, 1906, Lambda Chapter of Zeta Tau Alpha was granted a charter. The charter members were: Elizabeth Hardy, Bess Whittle, Allie Barcus, Pauline Clark, Jean Whittle, Louise Gibson, Rosina Nelson, Rannie Collier, Myrtice Nelms, Lola Branson, Blossom Pittman, Irene Gammill, Edith Branson, Hazel Whittle, Katherine Fiser, Sunshine Dickerson, Bess Bailey, Lena Mae Nelms, Ena Dent, and Clara Wellborn.

The Zeta Chapter of Alpha Delta Pi was not granted its charter until February 1907, although this organization was the first sorority on the campus. Mary Mann, Nadge Cooper, Gladys Graves, Early Price, Gladys Snyder, Martha Sanders, Nannie B. Clamp, Mabel Taylor, Gene Daughtrey, Louise Bellford and Catherine Chessleer were the charter members.

The local Xi Kappa was organized in Southwestern in 1906 but was not chartered until May 1, 1908 as the Xi Kappa Chapter of Phi Mu. Thirteen girls were initiated as charter members: Annie Bankright, Mary Inez Coon, Ola Niece, Minnie Taulman, Mabel Daughterty, May Hanover, Jessie Sessions, Datherine Howard, Alline Smith, Jimmie Smyth, Berta McKee, Eula Rollins, and Julian Mangum.

The last of the four sororities that are now on the campus to receive their charter was Theta Epsilon Chapter of Delta Delta Delta. The charter was granted September 5, 1911, and among the charter members were: Madge Hendry, Ann Carter, Ella Sedberry, Bess Crutchfield, Sadie Hudson, Hazel Barnes, Cornelia Hightowner, Lucy Agnew, Hallie Crutchfield, Pauline Swafford, Kittie Cain, Norma Smith, Datherine Mitchell, Gladys Lockett.

John Wesley at all times showed a warm sympathy for the power and charm of youthful beauty and affection.

C. M. EDENS, Coach

For the past seven years Coach Edens has had charge of the athletics at Southwestern and as a proof of his success while here, we should look into the conference championships he has won in football, basketball, track, and baseball. He has won the love, admiration, and friendship of all of the students.

R. J. KIDD, Freshman Coach

Captain Kidd has been in Southwestern for four years as assistant coach but, this being the first year for Freshman sports, he has been in charge of them, and what success he has had! In both basketball and football he has developed a team capable of holding its own with the best in the state.

"CHETTER" ALLEN, Football Captain

Under the leadership of "Chetter" the football team had good success. Even though a championship was not won, the team always fought hard and did its best.

GEORGE SMITH, Basketball Captain

George, a three-letter man and an all conference forward, was a capable and efficient leader. He always did his best to win and usually contributed more than his share to the victory.

## Pep Squad

The Pep Squad is composed of thirty-six girls selected by the yell leaders and they add very much to the famous "Pirate pep." The girls this year were:

GIL DEWITT

EVELYN RANSOM	MARJORIE N. SHERMAN
RUTH SEARLS	THELMA SLOCUM
RUTH LEE JONES	DUSKIE A. FEW
LOUISE HORNBuckle	MARY P. McCLUNEY
MARY EMMA NEYLAND	BILLIE GAETHER

DOROTHY BRYAN	MAXINE RAY
LOIS JOHNS	MORGAN MANFORD
EDITH FOSTER	FRANCES HAMBLIN
MILDRED GILLUM	LA VINIA DAVIS
ELIZABETH HOWARD	CHERRILLE DeBARDELEBEN

MILTON GRAY

With the leadership of Milton and Gil the pep at the football and basket ball games was present. These two boys made a grand success as yell leaders and much praise and credit is due them.

## Trophy Case

In order to prove to the student body that the Junior class is by far the best class on the campus, they purchased something which was long needed by the athletic department of the University—a trophy case. Throughout the years Southwestern has won many awards, football, basketball, baseball, track and tennis trophies, and because there was not an available place to put the awards some of them were misplaced. The Junior class had the loyal spirit and did not want any more of them misplaced so consequently they bought a beautiful case and presented it to the University.

This case is one of the most beautiful trophy cases in the small colleges within the state. The arrangement of the trophies tends to add beauty to the case. It is something that the school is proud of and each member of the class should be proud that they had the opportunity of contributing to this worthy cause.

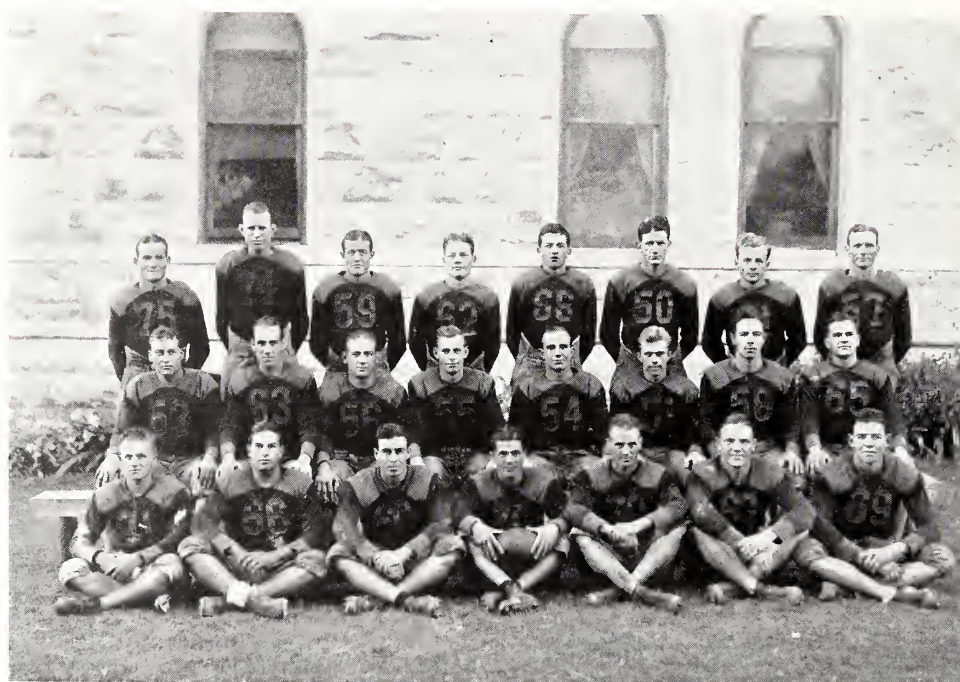

*Editor's note:—* I am indeed sorry that I did not have time to get a picture of the trophy case with the trophies arranged in it.

SMITH, Full Back, 165 pounds

George is noted all over the state for his place kicking ability and has won a number of games by this method. He was selected on the all Conference team.

PENNINGTON, Half Back, 143 pounds

Cecil is one of the best interference runners in the conference. Always when he was supposed to take a man out he did. He was one of the best half backs in the conference and he will be missed very much next year.

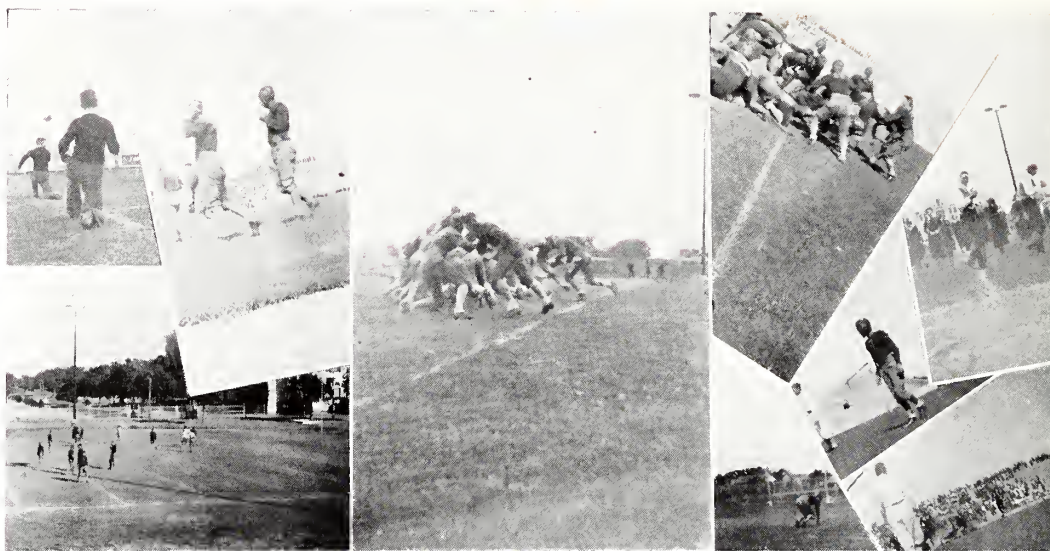

ALLEN, CAPTAIN, Quarter Back, 130 pounds

"Chetter" made a good leader because he never gave up, always fighting until the end. Even though he was small he proved that he could stand up under the pounding of the much larger men.

TERRY, Half Back, 155 pounds

"Pugy," even though he earned his first letter this year, proved that he was a good man. He was fast, smart, and a hard fighter.

KEENE, End, 165 pounds

Spruce proved to be one of the best defensive ends in the conference.

LUNSFORD, Guard, 170 pounds.

Claude was one of the strongest men in the Pirate forward wall.

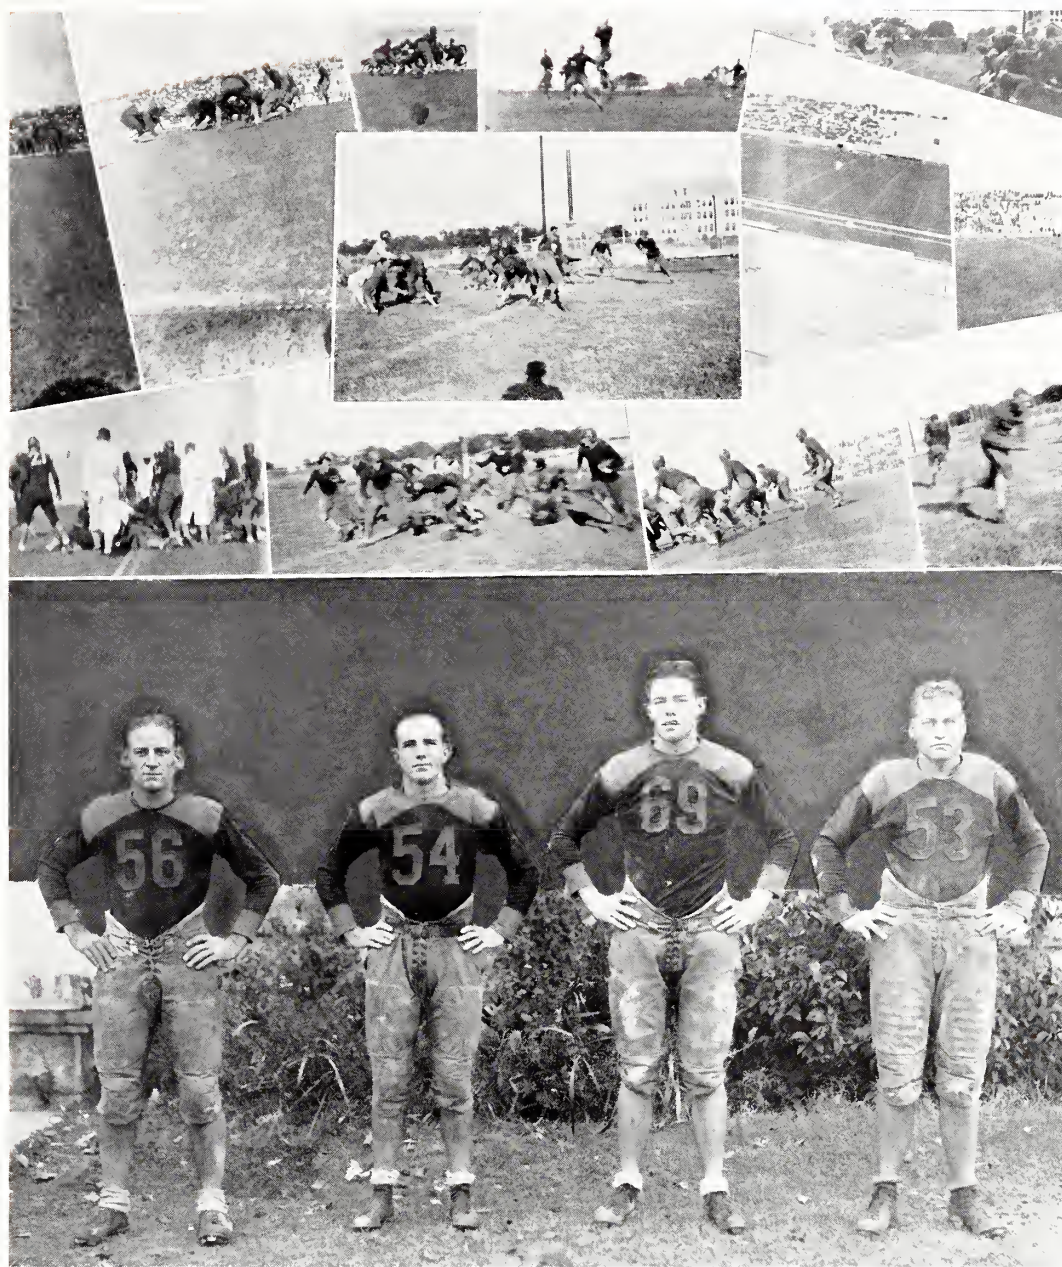

HAMME, Guard, 165 pounds.

Ralph always fought his hardest and was a good guard.

WHITTLE, End, 175 pounds.

Slim proved that he could play football and made a success out of it.

FORESTER, Guard, 165 pounds.

"Vic" was a scrapping guard and was selected on the all Conference squad.

GUNN, Half Back, 155 pounds.

"Pop" played his position well and always fought his hardest.

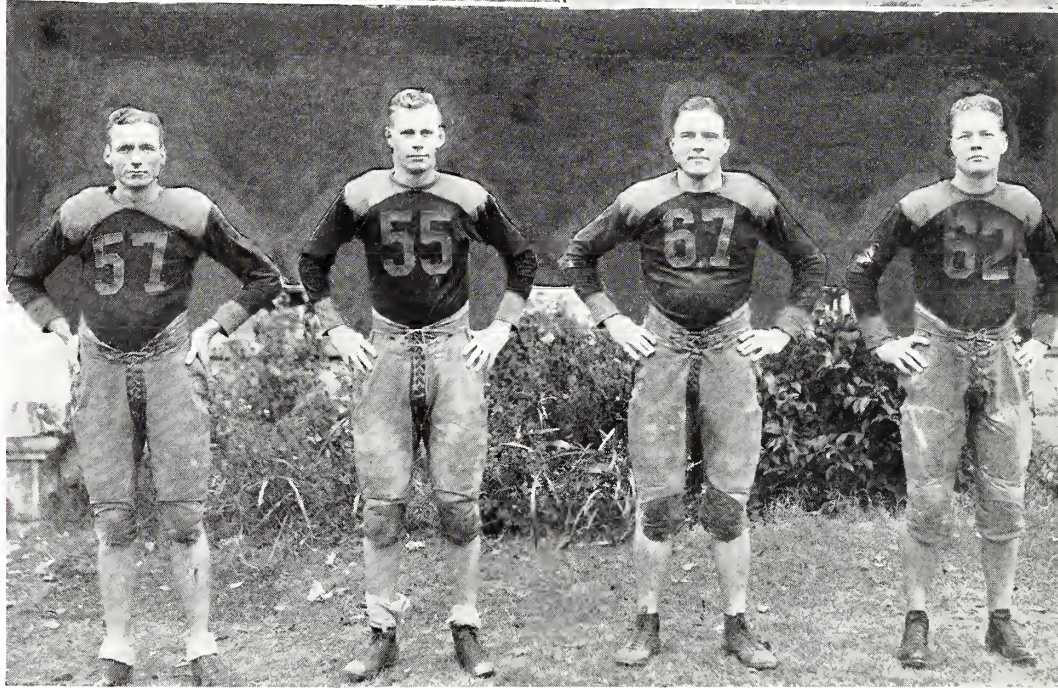

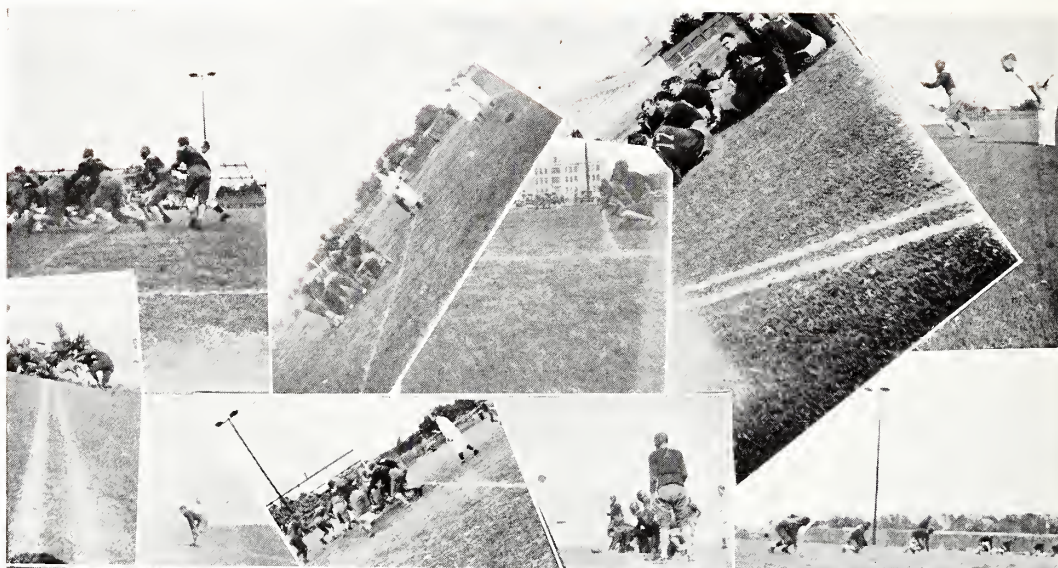

STERLING, Tackle, 170 pounds.

Fred proved to be one of the best tackles in the conference even though it was his first year.

JOHNSON, Tackle, 185 pounds.

Martin was one of the mainstays in the Pirate line and could be depended on to take his man out of the play.

McCLURE, End, 165 pounds.

Jim proved to be one of the best all around men in the conference. He could always be depended on to take care of his position.

OLDHAM, Quarter Back, 160 pounds.

Beatty, although he did not get to play much, proved to be very competent and played the position well. He is a good punter as well as being a good all around man.

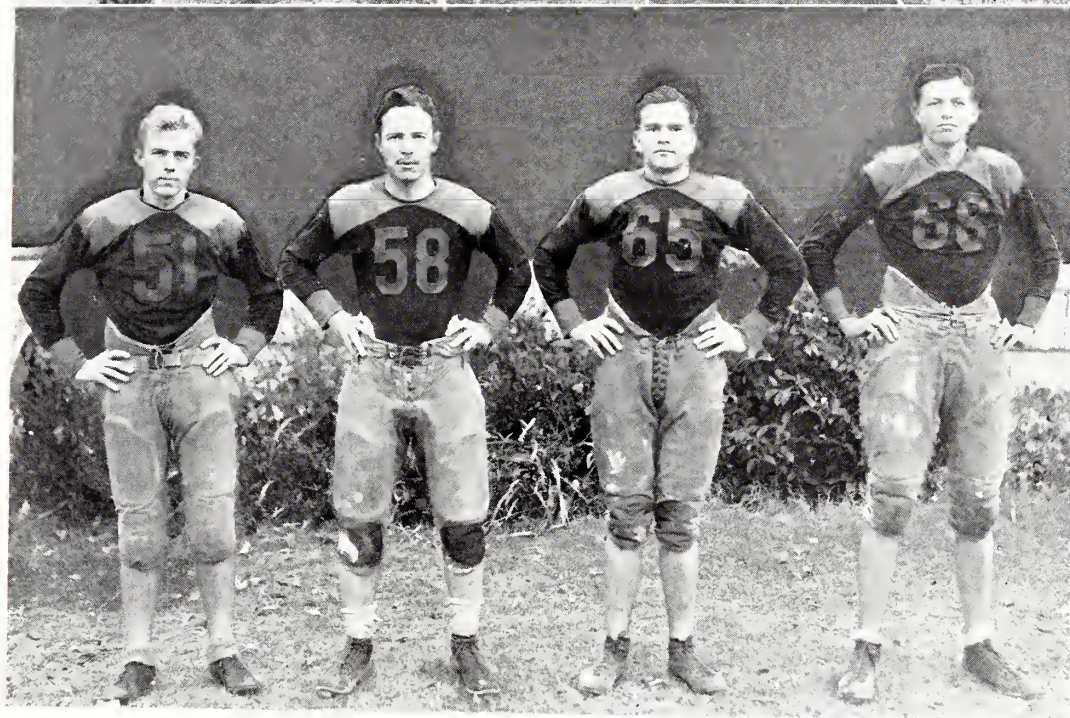

MAY, Center, 170 pounds.

"Cadilla" was one of the hardest fighters on the squad and was always where the fighting was the strongest. His position will be hard to fill next year.

DUNN, Full Back, 170 pounds.

Bill, even though it was his first year out proved that he was good enough to win a letter. Before he finishes he will be one of the outstanding men in the conference.

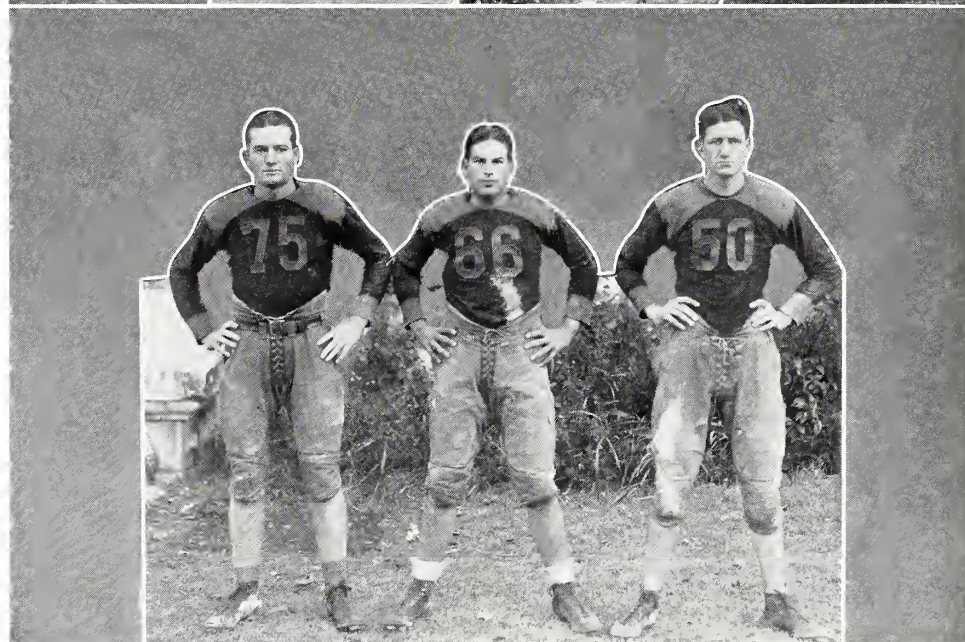

**CZAROWITZ, Full Back, 160 pounds.**  
The first year out for Czarowitz proved to Coach Edens that he was a hard fighter and a consistent player.

**LAIRD, Guard, 165 pounds.**  
For the past two years "Ollie" has been one of the mainstays on the Pirate wall, and has proven that he is one of the best guards on the Conference.

**THOMAS, Center, 170 pounds.**  
Tommie failed to letter but even at that he was one of the most consistent players on the team. He was very dependable.

**BRENT, Tackle, 165 pounds.**  
Bob's first year out proved to all that he was a player of the first class and with a little more experience should develop into a polished player.

LAURENCE, Half Back, 175 pounds

"Red" was shifted from the line to the backfield this year by Coach Edens and this change proved to be the right thing because "Red" made a good half back.

STINCHCOMB, Tackle, 185 pounds

"Blue" came to us from Blinn, and made us a valuable man because he had fight, grit and a determination to win.

WILLIAMS, End, 170 pounds

Dave was one of the best ends in the conference. He was in every play and the opposition met with much difficulty when they tried to move him out.

WEIR, Half Back, 165 pounds

"Duddy" was by far the most consistent performer on the Pirate squad. He was a speedy half back who always contributed his part.

## Season's Review

### McMURRAY 0, SOUTHWESTERN 0

Opening the season with an experienced crew of Pirates Lefty (Edens') charges held the powerful McMurray Indians to a scoreless tie in the first game of the year played under the floodlights on Snyder field. Captain Allen, George Smith, Cecil, Duddy and Stinchcomb were the best performers for the canary and black.

### A & M 33, SOUTHWESTERN 0

Twice during the first half the Pirate line held the strong cadet team on the one yard line for four downs. However, the Pirates could not stand the hard strain caused by the many substitutes made by the cadet coach and went down in defeat 33-0. Allen, Forester, May, and Smith showed the best form for the Pirates.

### SAM HOUSTON 0, SOUTHWESTERN 20

Completely outplaying the strong teacher aggregation throughout the whole game the smaller Pirate machine mowed down its heavier opponents by the one-sided score of 20-0. Duddy, George, Forester showed that they could run rings around the supposed-to-be better players.

### ST. EDWARDS 7, SOUTHWESTERN 14

Opening the conference schedule the Pirates easily outclassed their opponents from Austin by the score of 14-7. Throughout the game the boys from Austin put up a noble battle but it wasn't good enough to cope with the playing of Lunsford, Stinchcomb, Pennington, Weir and Smith.

### N. T. S. T. C. 25, SOUTHWESTERN 0

After completely defeating Sam Houston the Pirates went to Denton thinking that it was only a matter of a few minutes until they would have another victory chalked up. Due to their sureness the Pirates were completely outplayed and consequently went off the field defeated by the lopsided score of 25-0.

### S. W. S. T. C. 16, SOUTHWESTERN 9

In one of the most exciting games played on Snyder Field the Bobcats from San Marcos defeated the Pirates by the score of 16-9. A safety and two touchdowns were enough to defeat the Pirates. However, the Pirates did not stop fighting until the last whistle had blown. Pennington, McClure, Smith, Williams showed to the best advantage for the Canary and Black.

### SIMMONS 53, SOUTHWESTERN 0

Completely outclassed and outplayed, the Cowboys from Simmons University ran roughshod over the Pirates. Pee scored almost at will and before the Pirates could stop him he had led his team to victory by the score of 53-0. The Pirate backs were unable to get past the line of scrimmage very much, only being able to make five first downs.

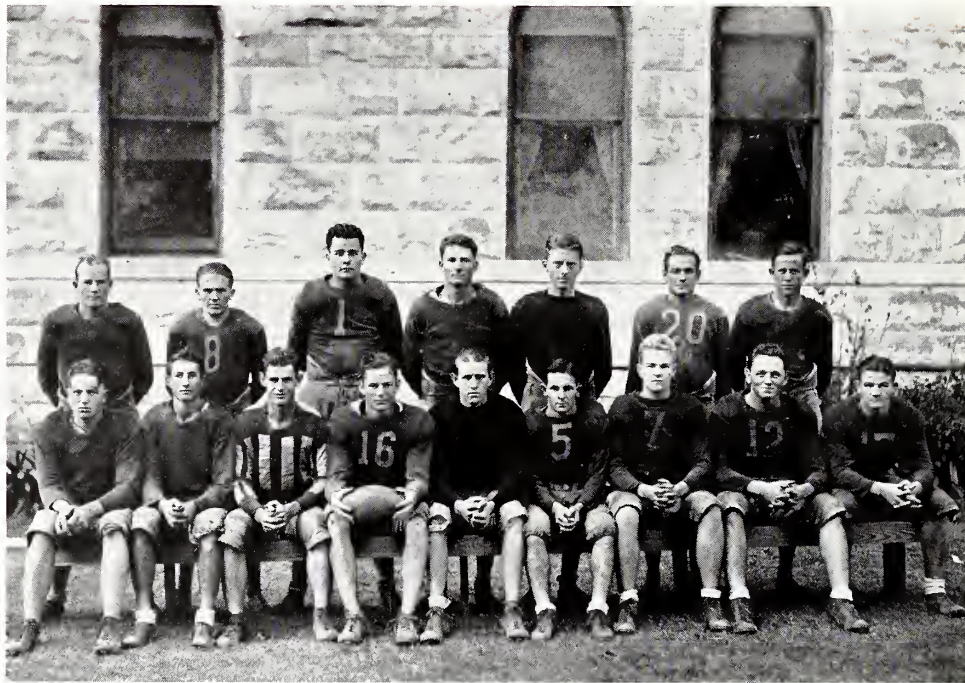

### AUSTIN COLLEGE 19, SOUTHWESTERN 13

Traveling to Sherman, the Pirates were confident of victory and met with a big surprise when the Kangaroos defeated them 19-13. Not until the last whistle was blown was the outcome of the game certain because of the strength of the two teams.

### HOWARD PAYNE 26, SOUTHWESTERN 0

In the Turkey Day game the Howard Payne Yellow Jackets again proved to be superior on the gridiron and defeated the Pirates 26-0 to gain a tie in the conference race. Worley proved to be too much for the Pirate squad. Allen, Forester, May, Smith, Pennington, Weir, Williams all played good ball for the losers.

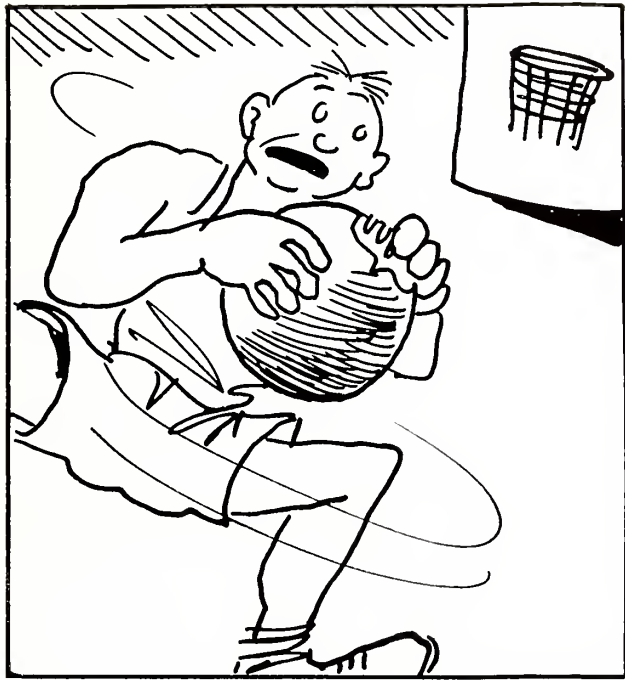

Standing: LINDELL, COX, SECREST, JENNINGS, ROARK, RAMERIZ, EVANS.  
Sitting: GODBEY, FIKES, CAPTAIN HORN, GIDDENS, McAFEE, PROCTOR, KEENE, PHARES, ARMSTRONG.

**CAPTAIN SMITH, Forward**

George was one of the leading scorers in the conference and besides that was one of the mainstays in the Pirate machine.

**SEAMANS, Forward**

We could always depend on Vance because he always gave his best. He was one of the outstanding forwards in the conference.

**TAYLOR, Guard**

"Red" for the past two years has been one of the mainstays in the Pirate machine and his position will be hard to fill next year.

BUCHHOLZ, Guard

Ransom proved that he was a good basketball man and he always hustled and kept fighting. This was his first year.

McKENZIE, Center

Another new man who proved that he was a good basketball player and always kept fighting trying to win for the team.

WEIR, Center and Guard

Duddy was one of the main cogs in the machine because he could play any position and could play it well.

LAURENCE, Guard

A valuable man and a hard fighter. "Red" always gave his best and was always ready to go.

DUNN, Forward

Burgin fought his hardest at all times and always tried his best.

THOMAS, Forward

Con always was where the battle was the hottest and always contributed his part to the team.

BROCKETT, Forward

Even though small in stature he made up for it in fight. He will be back next year and will aid the team very much.

Standing: COACH KIDD, GODBEY, CARPENTER, NALLEY, STUART, PARRISH, HORN, ERWIN.

TRACK

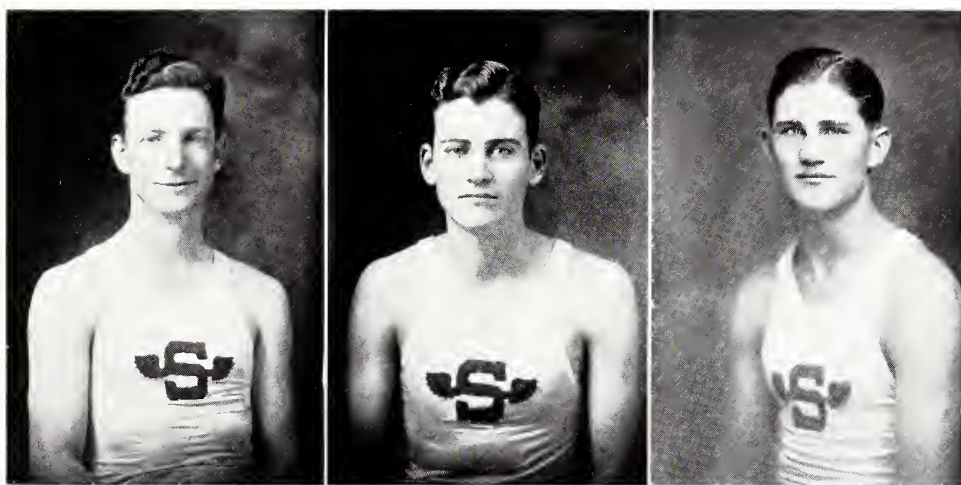

SMITH

STORY

BROOKS

Under the able leadership of Captain Smith, the Pirate track team this year had good success. This season developed one of the outstanding dash men in the conference, Murf Bledsoe. Besides having this man as a member of the squad, the squad had within it one of the best 440 men and relay teams in this section. The first meet of the season, which the Pirates lost by a close score, was with Sam Houston. However, in this meet Captain Smith won two first places, as well as did Bledsoe, who defeated Coe of Sam Houston in both the hundred and two-twenty. McKenzie, a freshman, placed in the pole vault. The relay team ran off from their opponents. This meet showed the Pirates that they had a good squad, and from then on they pointed to the conference meet. The next meet was with St. Edwards, which was the only meet that was held at home. The Pirates were easily victorious, winning by a large score. Bledsoe, Story, Brooks, McKenzie, Smith, Brown, were easy winners in all their races; Bledsoe winning both the hundred and two-twenty; Story, Bledsoe, McDaniels, Brown, and Durrenburger winning the relay; Smith winning the shot put, discus, and javelin; Brooks the high jump, and McKenzie the pole vault.

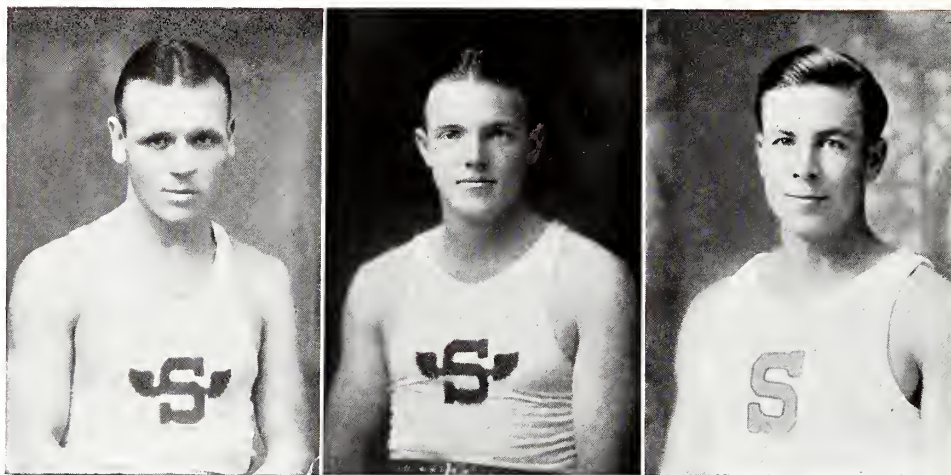

BLED SOE

McKENZIE

McDANIELS

In order to test the strength of the team, Coach Edens entered the boys in a six point meet in Austin with Texas University, Daniel Baker, St. Edwards, Howard Payne, Southwest State Teachers College and Southwestern University competing. The Pirates showed up well, placing a close second to Daniel Baker. McDaniels won the 440, Smith won two second places in the shot put and discus. Brooks placing in the high jump and McKenzie placing in the pole vault. The feature of the meet was the race between Snodgrass of Daniel Baker and Bledsoe of the Pirates. Bledsoe gave the fast Snodgrass a fight in both the hundred and two-twenty. A special feature of the meet was a special four-forty relay between Radcliff, Bledsoe, Snodgrass, and Phelps against the football relay team of Texas University which won the special relay at the Drake relays. Then came the Conference meet in which Southwestern showed up exceptionally well even though they failed to win the relay, which race Southwestern has excelled for the past four years. Bledsoe won the hundred yard dash and placed in the two-twenty. Brooks placed in the high jump and Smith placed in the shot put and discus. Howard Payne was easily the outstanding team in the meet and won the meet in a walk. The feature attraction was the races between Bledsoe of Southwestern and Lillis of Austin College in the hundred and two-twenty.

BROWN

MAY

G. SMITH

Captain Smith, one of the mainstays of the Pirate thinly clads, made an exceptionally good and capable leader. He always managed to place in all the events in which he entered. Even when he went to Huntsville he challenged one of the members of the opposing team to a hundred yard dash and Smith easily defeated his opponent.

Story, a two-letter man, was one of the most consistent performers for the canary and black. He was one of the most important members of the relay team. Besides running in the relay he usually ran the 440.

Brooks, another two-letter man, usually added his part to the point-gathering and in every meet he managed to make a few points for the team.

Bledsoe, a boy who only joined the thinly clads this year, proved a good track man because he ran the 100 in 9.9 at one meet. He won the 100 at the conference meet and in each meet he entered he made some points.

McKenzie, a freshman, proved to be good enough with pole vaulting to place in most of the meets.

McDaniels, a three-letter man, who usually won the 440 and ran anchor man on the relay team.

Brown, a newcomer to the team, who proved to be a good man in the 880 and the relay team.

May was one who could be depended on to win a few points in the weights and usually pushed Captain Smith in each of the meets.

G. Smith, a letter man who proved to be a good pole vaulter and also broad jumper.

OTHER SPORTS

WILCOX Captain

KEYSER

BOOTHE

KELLOG

Under the leadership of Captain Wilcox, the Southwestern Netters passed through a fairly successful season even though they did not win any meets. Always the opposing team had to play its hardest to defeat the fighting Pirates. Wilcox played No 1 and of course he won most of his matches. One of the best matches seen, was the match between Wilcox and Buning of Sam Houston. Boothe played No. 2 and even though he failed to win a match he always put out his best and tried to win. Keyser could always be depended on to win his match. Kellog was a newcomer to the squad this year and before the year was over he proved to be a good player and capable of holding his own with the best.

MOORE

KELLOG

## Golf

This is the first year that Golf has been a major sport in conference competition and of course Southwestern placed a good team on the links with the hope that they would win the first conference championship. As the annual goes to press, it is a good time before the conference meet. It is impossible for us to record the results but with two men, Moore and Kellog playing, and as good as they are, Dr. Howard, coach, has full confidence in the boys and thinks that without a doubt they will win the conference championship.

Moore and Kellog are fine players and both have had experience in tournament play. Since they are polished players, they should bring home the bacon.

## Inter-Fraternity Sports

As has been the custom for the past number of years, the different fraternities on the campus have organized athletic teams to represent them in their annual athletic league. Much interest has been shown throughout the entire year by the groups in this line of activity. The different sports are organized and sponsored by the Men's Pan-Hellenic Council which draws up the rules and regulations for the different phases of physical activity.

The Pi K. A's again won the basketball championship and not a defeat was charged to them. The K. A's gave some strong competition, as did the other two fraternities. The league was exceptionally strong this year and not until the very last was the outcome certain. The K. A's forfeited the last game to the Pi. K. A's, thereby giving the championship to the latter.

The tennis singles title was won by Fred Leigh, Kappa Sigma, but not until he was extended to the limit by Thomas, Kappa Alpha. The doubles title went to Dorbandt and Price, Kappa Sigmas, but Story and McKenzie, Pi. K. A's gave them some strong competition in the finals. Thus the Sigs still hold supreme in the inter-fraternity tennis.

As the annual goes to press, the baseball tournament is well under way with the K. A's holding the lead and it looks as if they will repeat again this year although the Pi. K. A's are giving them some strong competition and anything might happen before the schedule is completed.

In the track meet which is coming soon (and I am very sorry that I will not be able to record the results), it looks like the Pi K. A's will again win the meet, as they have the same team back which won the contest last year.

Golf is a toss-up between all four of the fraternities, as each one will place a strong team on the greens. Each of the frats is anxious to win this tournament and much interest is being shown in the coming tournament in which the golf king will be selected.

Much interest has been shown this year in the different sports and with each new year more interest has been shown and some good and capable talent has been revealed.

Circumstances sometimes compelled the duly constituted authorities to subject certain unsocial individuals to the humiliation and ridicule of imprisonment in the stocks.

## DEDICATION

## Kappa Sigs

(Kinda Sour)

Due to the fact that the good brothers of the noble (?) order of Kappa Sigma had to be in keeping with the changing customs of the University, their pledges have started serving grape juice to the members instead. The Woman's Building reception room is their chapter house and juggling the brass pots and pans is their pastime. They have some good boys in the chapter but they don't stay at the house or associate with the brothers. Brother Buchholz is the big cause of the recent campaign at the Woman's Building and two or three unfortunate Zeta freshmen are the results. The only requirement to join is to be enrolled in school and if you don't have a bad case of swelled head please try to look human. Some prefer to be Kappa Sigs but others prefer to be fraternity men.

## Pi Kappa Alpha

(Putrid Kinda Apples)

This gang founded the famous huddle system and led by Penny Mood they are still holding their own. They possess good qualities provided of course that one permits flexibility of the truth. They are unfortunate in one way because Brother Hamme and Brother Price have the "choc" but in another way they are fortunate because they never stay around the house. The original object in the founding of this club was to develop after-dinner speakers and look at the results—Fred McKenzie. Their one drawback is their exaggerated modesty and their hang-out is the river.

## Kappa Alpha

(Kindred (of) Anthropoids)

These boys are truly the aristocrats of the old South. They initiated a man once but none of the present members can remember when. Their semi-annual publication is the Progressive Farmer and Bob Brent is their hired hand. They are big buddies of the Kappa Sigs and plans are being made to unite the two so they can accomplish something. One thing that these boys can boast of is that they are a part of the student body and another is Bill Smith (but why boast). Cortes is their overseer and from the looks of things he will be with them sometime yet. Terry is their one hope but he can't uphold the moral character of some three or fifteen.

## Phi Delta Theta

(Pretty Dumb Theoridically)

Several boys were in search of a national name one day, so they founded this chapter. They were successful last spring in pledging every boy who had ten cents change and an extra shirt. Their theme song is: "The Sweetheart of Everyone Else" and their motto is: "Throw the bull." We haven't written much about this chapter but for the benefit of those who are in doubt of its existence here, just ask Gill DeWitt.

## Zeta Tau Alpha

(Zealous to All)

Yes, this is a sorority the same as the other three. They have managed to gather in one flock, a few biological impossibilities and have called it the Zeta Tau Alpha Sewing Circle. The name, however, is to deceive the Dean. They really have nothing to be stuck up over but still they can't seem to get away from an "Old Spanish Custom." They have a good president who takes orders from the real ramrod—a Tri Delt. The Y. W. C. A. is their aim in life and their present pastime is to run after the Kappa Sigs.

## Delta Delta Delta

(Don't Do Dot)

They thought so much of this organization till they named it three times. The survival of the fittest is practiced and innocence prevails throughout its circles. One of their old reliables has gone Zeta in spirit and the other initiates have made no effort to show the freshmen anything—we doubt if they know anything themselves. They are very exclusive, taking only a few each year. The Zeta's have long since turned over the pin-getting banner to them and at present one of their little blond-headed promises is hard at work after another—time will tell.

## Phi Mu

(Partly Moved)

Unlike other groups, these girls keep to themselves. Their high scholastic average is doubtless a result of many nights of concentrated study. Of course there are reasons for this. The town sisters are the life of the party and their Alumni often come around and tell them of the good old days.

# Alpha Delta Pi

(Always Do Poorly)

If cute, quiet girls were the kind that get over, the Alpha Deltas would certainly be in demand. Their sisterhood is not hampered, however, because they have some that could give even a Zeta a good race. They uphold the traditions of the school—in some ways—especially on warm nights. They indulge in renting cars and in sending boys' shirts to the laundry.

# Barbs

(Bolsheviks)

It would be impossible to go into detail about these—well, we will call them students, too. They are those who fight fraternities and would take a bid if they could get it. They are led by the invincible Charles Rumble and at the Woman's Building by Gorzycki. Their hang-out is King's Palace and their pastime is making somebody miserable—Don't get them confused with the nonfraternity men because there is all the difference in the world.

# The University Store

What would we do without the store?  
College life would be a bore,  
It's a place where everyone goes  
Even the Zetas with their beaus—  
No one really goes there to eat,  
But it's a good place for friends to meet.  
The Alpha Delta by nine o'clock can't wake  
But at ten they come to the store for cake.  
After classes the crowds go there  
And stay about as long as they dare.  
If the walls their secrets could tell,  
Many a Prof would scream and yell.  
Dates are hashed, from the known to the blind—  
The fast, or slow, or any other kind.  
Here the girls chat as well as the boys  
About their troubles and their joys.  
It's a good place to open your book  
And give your lessons the first wild look.  
The Tri Deltas know it's the place to stay,  
If they want to find a Pi K. A.  
The Kappa Sigs their politics play.

## The University Store (Continued)

And go to the store every single day.  
Line after line this tale could go, so,  
But most of it you already know.  
No matter whatever may be the weather,  
The store is the place to get together.

## We Wonder

Why Blu Stinschomb isn't a Kappa Sig—  
Why Harry Moore worries the girls so much—  
Why Fontaine Erskine doesn't wake up—  
To whom the name "shine boy" applies this year—  
Why the Zetas want to be different—  
What's the matter with Dorothy Bryan's leg—  
Why Reba Young thinks she is so much better than everybody else—  
Why Louis Price has such a bad case of the swell head—  
Why is it that Red Lawrence is so in love with Charlie Rumble—  
Why Bert Crawford and Jumbo have decided to organize them a Fraternity of their own, in-  
viting Tex Brown, Joe McAuliffe, Charlie Rumble, Ben Bohmfalk, Charlie Fredrick,  
Red Boothe and George Walton—  
Why Joe McAuliffe says that he did an experiment in Chemistry lab with Cedar Bark—  
Dr. Howard: This exam will be conducted on the Honor System—Please take three seats  
apart on alternate rows.

*The task is finished, but only for today  
Tomorrow will bring forth new work*

Here is the fruit of toil. Into this work is woven the moments of many hours and here is fashioned the labor and hearts of many. It has been work inspired by the hope that because of it some good will come. If this can be, what matters it if time meant for rest has been spent for labor—where is the loss if hours have been taken from the night to lengthen the day?

All service and all achievement, great or small, demands some sacrifice. Work must precede realization, and the love of work is the greater part of compensation. By comparison, no work is perfect. Today's efforts are better than the past, and the toil of Tomorrow will excel the task of the hour—but none have been, nor will ever be, more engaging. This work has indeed been pleasant to those who brought it into being, and it has been our pleasure to work with them.
